# Mahmoud El-Alfy

**Performance Marketer • Video Producer**

*I plan the campaign, buy the media — and create the ads myself.*

Performance marketer and video producer who owns campaigns from strategy and media buying on TikTok, Meta and Google to shooting and editing the ads. In the last 30 days alone my campaigns drove **78K+ leads** and **12K+ real patients**; over two years in Saudi Arabia they reached **55M+ ad views** and **2M+ followers** — backed by 10+ years behind the camera and an engineer's test-and-optimize mindset.

| 78K+ | 12K+ | 2M+ | 55M+ |
|---|---|---|---|
| leads generated in the last 30 days | real patients acquired in the last 30 days | real Saudi followers grown in 2 years | ad views in Saudi Arabia in 2 years |

## 01 EXPERIENCE

### Media Buyer & Digital Marketer
2026 ▸ NOW

Unique Colour Car Care · Riyadh, KSA · Concurrent role

- Deliver **597 leads in 41 days** on TikTok Ads at a **10.66 SAR** average cost per lead, managing **6,365 SAR** in spend.
- Engineer lead funnels with Spark Ads and auto-DM flows that capture phone numbers instantly.
- Shoot, edit and animate every creative; test weekly and cut CPL to **8.52 SAR** on the top campaign.
- Partner **directly with TikTok's business team** (calls & online meetings) to scale results.

### Media Buyer & Medical Marketer
2025 ▸ NOW

Smiley Medical Complex · Saudi Arabia · Concurrent role

- Generate **78K+ patient leads in the last 30 days** on Meta, TikTok and Google Ads.
- Turn leads into **12K+ real patients in the same 30 days** through clear booking funnels and fast follow-up.
- Produce trustworthy healthcare content for the complex's services and specialists.

### Social Media Marketer
Saudi Arabia

**Sahab Car Maintenance · AlMutairi Modern Cars · Kababka · AlKing**

- Grew engaged audiences for 4 automotive & F&B brands — part of **2M+ real Saudi followers** in two years.
- Planned content calendars and produced each brand's videos, photos and designs.

### Technical Engineer — Mechatronics & Robotics
2020 ▸ 2023

Arab Academy for Science, Technology & Maritime Transport (AAST)

- Designed and tested robotic systems — the root of my data-first optimization approach.

### Part-time Supervisor
2021 ▸ 2022

Abu Qir Shipyard · Alexandria | Kader Factory for Military Industries · Cairo

### Freelance Event Photographer & Graphic Designer
2017 ▸ 2022

Freelance

- Shot weddings, conferences and corporate events, and delivered branding projects.

### Content Creator & Photographer
2015 ▸ 2017

- Created photo and video content from concept to final edit (Adobe CC).
